Welfare Reform

[Real Life Reform](#) report is the result of a partnership between Northern Housing Consortium, seven registered providers and York University. Some findings emerging from the first report are that 65% of households have less than £10 per week to live on following rent and essentials such as food and bills. 83% of households are in debt (average £2,418). Households are reporting increased levels of stress and depression.

The Trussell Trust's latest figures show that more people are being referred to foodbanks with Benefit related problems since April's welfare reforms. Between April and June, over 150,000 people received three days' emergency food from a Trussell Trust foodbank - 200% more than the same period in 2012. The nearest foodbank to the constituency is in Church Street, Hartlepool.

The number of Housing Benefit claimants in the social sector has fallen in the constituency since the implementation of the under-occupation penalty. Such claims fell by 1% between March and May this year. Meanwhile, claims of Local Housing Allowance in the private sector fell by 0.4% in the same period compared with a Tees Valley average increase of 1.1%.

While the average Housing Benefit award grew by 0.6%, the average weekly LHA award fell by 0.2% and by multiplying the number of claimants by average weekly award an overall weekly LHA cost decrease of 0.6% (£1,561) can be estimated. Figure 1 shows how average costs have changed over this period by dwelling size.

Housing Market

Ministry of Justice data shows that in the Hartlepool LA area, social landlord possession claims in the first two quarters of 2013 stood at 89. This compares to 76 claims in the corresponding timeframe in 2012 – a 17.1% increase. Landlord possessions stood at 20 compared to 15 in the corresponding timeframe. In the private sector (rented and mortgage), while claims fell by 24.2%, possessions fell by 5%.

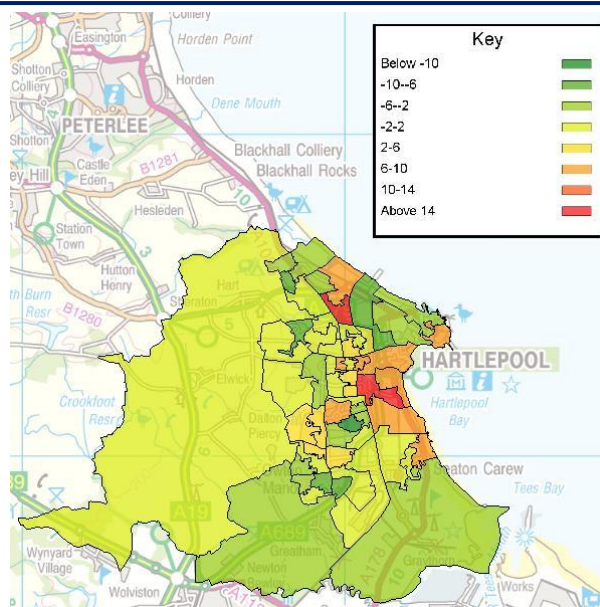

According to ONS figures, the population in the constituency grew by 0.7% from 91,304 in 2010 to 91,929 in 2011. The map below shows the population change by lower super output area and that the greatest population increase has taken place in the LSOA covered by the Headland and Harbour ward (25.8%) and parts of Foggy Furze ward have seen greatest decrease (-17.2%) (note: data is not available for some LSOAs in 2011).

Despite this overall population increase, CORE data shows that social housing lettings have fallen in Hartlepool LA area from 1,242 in 2011/12 to 1,094 in 2012/13 – a decrease of 11.9%. This compares to an overall decrease of 5.2% in Tees Valley.

In the year ending in March 2013, there were 505 decisions made by the planning authority in Hartlepool. Some 44 of these (8.7%) were regarding developments for housing. This represents 13.5% of all housing-related decisions in Tees Valley.
