Welfare Reform

[Real Life Reform](#) report is the result of a partnership between Northern Housing Consortium, seven registered providers and York University. Some findings emerging from the first report are that 65% of households have less than £10 per week to live on following rent and essentials such as food and bills. 83% of households are in debt (average £2,418). Households are reporting increased levels of stress and depression.

The Trussell Trust's latest figures show that more people are being referred to foodbanks with Benefit related problems since April's welfare reforms. Between April and June, over 150,000 people received three days' emergency food from a Trussell Trust foodbank - 200% more than the same period in 2012. The nearest foodbank to the constituency is in the Elim Petecostal Church, Heaton Road.

The number of Housing Benefit claimants in the social sector has fallen in the constituency since the implementation of the under-occupation penalty. Such claims fell by 0.6% between March and May this year. Meanwhile, claims of Local Housing Allowance in the private sector fell by 1.9% in the same period compared with a Tyne & Wear average increase of 0.7%.

While the average Housing Benefit award grew by 0.9%, the average weekly LHA award fell by 0.7% and by multiplying the number of claimants by average weekly award an overall weekly LHA cost decrease of 2.5% (£3,375) can be estimated. Figure 1 shows how average costs have changed over this period by dwelling size.

Housing Market

Ministry of Justice data shows that in the Newcastle LA area, social landlord possession claims in the first two quarters of 2013 stood at 688. This compares to 437 claims in the corresponding timeframe in 2012 – a 57.4% increase. Landlord possessions stood at 58 compared to 50 in the corresponding timeframes. In the private sector (rented and mortgage), while claims fell by 8%, possessions remained steady at 54.

According to ONS figures, the population in the constituency fell by 3.1% from 96,593 in 2010 to 93,562 in 2011. The map below shows the population change by lower super output area and that the greatest population increase has taken place in the LSOA covered by the South Jesmond ward (15.5%) and parts of Dene ward have seen greatest decrease (-13.2%) (note: data is not available for some LSOAs in 2011).

Despite this overall decrease, CORE data shows that social housing lettings have fallen in the Newcastle LA area from 2,418 in 2011/12 to 4,214 in 2012/13 – an increase of 74.3%. This compares to an overall increase of 10.9% in Tyne & Wear.

In the year ending in March 2013, there were 1,362 decisions made by the planning authority in Newcastle LA area. Some 114 of these (8.4%) were regarding developments for housing. This represents 28.9% of all housing-related decisions in Tyne & Wear.
