Welfare Reform

[Real Life Reform](#) report is the result of a partnership between Northern Housing Consortium, seven registered providers and York University. Some findings emerging from the first report are that 65% of households have less than £10 per week to live on following rent and essentials such as food and bills. 83% of households are in debt (average £2,418). Households are reporting increased levels of stress and depression.

The Trussell Trust's latest figures show that more people are being referred to foodbanks with Benefit related problems since April's welfare reforms. Between April and June, over 150,000 people received three days' emergency food from a Trussell Trust foodbank - 200% more than the same period in 2012. The nearest foodbank to the constituency is in Billingham.

The number of Housing Benefit claimants in the social sector has grown in the constituency since the implementation of the under-occupation penalty. Such claims rose by 0.4% between March and May this year. Meanwhile, claims of Local Housing Allowance in the private sector rose by 0.9% in the same period compared with a Tees Valley average increase of 1.1%.

While the average Housing Benefit award grew by 0.5%, the average weekly LHA award grew by 0.3% and by multiplying the number of claimants by average weekly award an overall weekly LHA cost increase of 1.3% (£2,718) can be estimated. Figure 1 shows how average costs have changed over this period by dwelling size.

Housing Market

Ministry of Justice data shows that in the Stockton LA area, social landlord possession claims in the first two quarters of 2013 stood at 147. This compares to 112 claims in the corresponding timeframe in 2012 – a 31.3% increase. Landlord possessions stood at 33 compared to 28 in the corresponding timeframes. In the private sector (rented and mortgage), while claims fell by 24.3%, possessions grew by 7.8%.

According to ONS figures, the population in the constituency fell by 0.2% from 92,333 in 2010 to 92,162 in 2011. The map below shows the population change by lower super output area and that the greatest population increase has taken place in the LSOA covered by the Billingham Central ward (15%) and parts of Norton South ward have seen greatest decrease (-12.7%) (note: data is not available for some LSOAs in 2011).

Together with this overall population decrease, CORE data shows that social housing lettings have fallen in Stockton LA area from 1,630 in 2011/12 to 1,609 in 2012/13 – a decrease of 1.3%. This compares to an overall decrease of 5.2% in Tees Valley.

In the year ending in March 2013, there were 984 decisions made by the planning authority in Stockton. Some 100 of these (10.2%) were regarding developments for housing. This represents 30.7% of all housing-related decisions in Tees Valley.
