Welfare Reform

[Real Life Reform](#) report is the result of a partnership between Northern Housing Consortium, seven registered providers and York University. Some findings emerging from the first report are that 65% of households have less than £10 per week to live on following rent and essentials such as food and bills. 83% of households are in debt (average £2,418). Households are reporting increased levels of stress and depression.

The Trussell Trust's latest figures show that more people are being referred to foodbanks with Benefit related problems since April's welfare reforms. Between April and June, over 150,000 people received three days' emergency food from a Trussell Trust foodbank - 200% more than the same period in 2012. The nearest foodbank to the constituency is in Blackburn.

The number of Housing Benefit claimants in the social sector has grown in the constituency since the implementation of the under-occupation penalty. Such claims grew by 0.7% between March and May this year. Meanwhile, claims of Local Housing Allowance in the private sector increased by 1.3% in the same period compared with a Lancashire average increase of 1.2%.

While the average Housing Benefit award grew by 0.1%, the average weekly LHA award fell by 0.6% but by multiplying the number of claimants by average weekly award an overall weekly LHA cost increase of 0.7% can be estimated (£1,649). Figure 1 shows how average costs have changed over this period by dwelling size.

Housing Market

Ministry of Justice data shows that in the Hyndburn LA area, social landlord possession claims in the first two quarters of 2013 stood at 37. This compares to 49 claims in the corresponding timeframe in 2012 – a 24.5% decrease. Landlord possessions grew from 14 to 10. In the private sector (rented and mortgage), while claims grew by 1.2%, possessions fell by 42.9%.

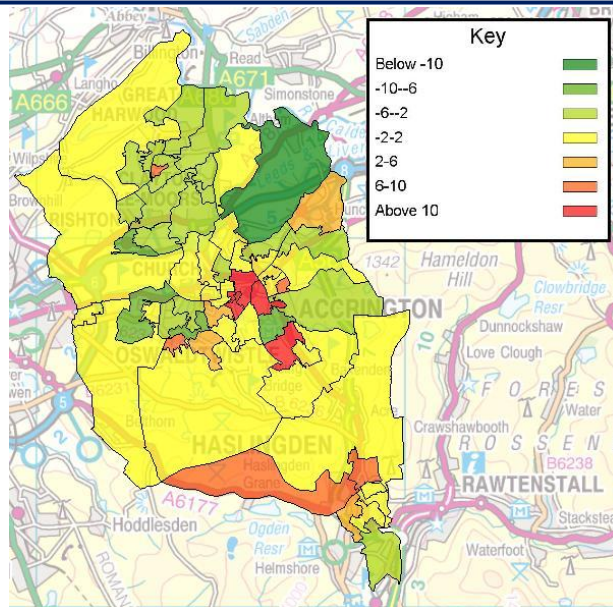

According to ONS figures, the population in the constituency fell by 0.5% from 92,607 in 2010 to 92,362 in 2011. The map below shows the population change by lower super output area and that greatest population increases and that have taken place in an LSOA covered by the Central ward (15%) and that the greatest decrease was seen in part of Altham ward (-14.8%) (note: data is not available for some LSOAs in 2011).

Despite this overall decrease, CORE data shows that social housing lettings have grown in Hyndburn from 584 in 2011/12 to 651 in 2012/13 – an increase of 11.5%. Lettings in Rossendale grew by 9%. This compares to an overall increase of 10% in Lancashire.

In the year ending in March 2013, there were 405 decisions made by the planning authority in Hyndburn. Some 47 of these (11.6%) were regarding developments for housing. This represents 4.6% of all housing-related decisions in Lancashire.
