Welfare Reform

[Real Life Reform](#) report is the result of a partnership between Northern Housing Consortium, seven registered providers and York University. Some findings emerging from the first report are that 65% of households have less than £10 per week to live on following rent and essentials such as food and bills. 83% of households are in debt (average £2,418). Households are reporting increased levels of stress and depression.

The Trussell Trust's latest figures show that more people are being referred to foodbanks with Benefit related problems since April's welfare reforms. Between April and June, over 150,000 people received three days' emergency food from a Trussell Trust foodbank - 200% more than the same period in 2012. The nearest foodbank to the constituency is in Deycroft Avenue, Kirkby.

The number of Housing Benefit claimants in the social sector has fallen in the constituency since the implementation of the under-occupation penalty. Such claims fell by 0.7% between March and May this year. Meanwhile, claims of Local Housing Allowance in the private sector grew by 0.03% in the same period compared with a Merseyside average increase of 0.4%.

While the average Housing Benefit award grew by 0.9%, the average weekly LHA award fell by 0.2% and by multiplying the number of claimants by average weekly award an overall weekly LHA cost decrease of 0.2% (£437) can be estimated. Figure 1 shows how average costs have changed over this period by dwelling size.

Housing Market

Ministry of Justice data shows that in the Knowsley LA area, social landlord possession claims in the first two quarters of 2013 stood at 288. This compares to 161 claims in the corresponding timeframe in 2012 – a 78.9% increase. Landlord possessions grew from 46 to 28. In the private sector (rented and mortgage), while claims fell by 7.1%, possessions fell by 21.4%.

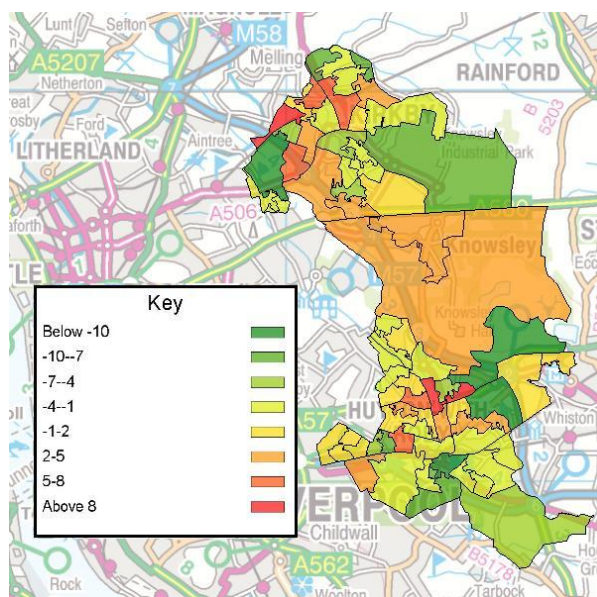

According to ONS figures, the population in the constituency fell by 1.2% from 104,676 in 2010 to 103,402 in 2011. The map below shows the population change by lower super output area and that greatest population increases and that have taken place in an LSOA covered by the Longview ward (25.7%) and that the greatest decrease was seen in part of St Michael's ward (-17.8%) (note: data is not available for some LSOAs in 2011).

Despite this overall decrease, CORE data shows that social housing lettings have grown in Knowsley from 1,619 in 2011/12 to 1,670 in 2012/13 – an increase of 3.2%. This compares to an overall fall of 1.5% in Merseyside.

In the year ending in March 2013, there were 487 decisions made by the planning authority in Knowsley. Some 53 of these (10.9%) were regarding developments for housing. This represents 9% of all housing-related decisions in Merseyside.
