Housing Supply and the Economy

In the final quarter of 2012, there were 60 new dwelling starts and 10 dwelling completions in Harrogate. Ten dwelling starts were by housing associations and all completions were in the private sector. Dwelling starts have grown from 40 in the previous quarter but risen from 30 in the corresponding quarter in 2011.

Research by Northern Housing Consortium and Sheffield Hallam University into the contribution housing makes to the [economy in the north](#) shows that between local authorities, ALMOs and registered housing providers, £10.3bn worth of output expenditure was made in the North in 2011/12, supported 116,000 jobs and 8,400 new homes were built in the previous year.

Recently released figures show that there are a total of 1,119 unemployed in the constituency (1.7% of the working aged population). This represents a 30.5% decrease on the same point in 2012. Some 2.3% of working-aged males and 1.2% of their female counterparts were claiming unemployment benefits in March 2013 and while male figures have fallen by 30.8%, those of females fell by 29.9%.

ONS data shows a higher proportion of smaller households with almost two-thirds of households (67.4%) having either one or two people living in them. Three-person households make up 15% of households. Figure 1 below shows the proportions of all households in the constituency and how this compares with regional figures.

Figure 1: Number of Bedrooms

Welfare

The 2011 Census reports that 33,215 households (75.5%) now under-occupy their home in the constituency. A study by Sheffield Hallam University reported in the [Financial Times](#) shows that 1,200 households in Harrogate will be affected by the 'bedroom tax' with an estimated £0.8m loss per year.

In last year's first edition of the constituency profiles we reported that 5,060 households receiving Housing Benefit in the constituency. In November 2012, there were 5,258 such claimants. This is 11.9% of all households in the constituency and a 3.9% increase on the 5,060 reported last year.

Annual Survey of Hours and Earnings (ASHE) for 2012 shows that in Harrogate and Knaresborough constituency, the median weekly pay is £407.10. This represents an increase of 7.1% on the previous year. While full-time pay has increased by 1% in the last year, part-time pay has decreased by 4% over the same period.

Notwithstanding this overall increase, Campaign to End Child Poverty 2012 data shows that in Harrogate and Knaresborough, 1,455 children live in poverty – 7% of the child population in the constituency. Map 1 shows child poverty by ward and that the worst affected ward is Granby (17%).
