

Blaydon Parliamentary Constituency

This is the first bulletin of 2014 produced by Northern Housing Consortium (NHC) providing analysis of housing-related data for the Parliamentary Constituencies in the North of England. The report provides analysis of the impacts of welfare reform and the housing market in the constituency.

We have used the following symbols to indicate your performance against the relevant regional or national statistics.

Welfare Reform

The third [Real Life Reform](#) report found an increase in the average debt of respondents taking part in the study (£3,503) with debt repayments increasing by 58% since October. 46% of participants report having nothing left each week to live on once rent and essentials such as food and bills have been paid.

Last year we reported that in Blaydon, 3,901 children live in poverty – 23% of the child population in the constituency. According to figures by The Children's Society, 1,877 children in poverty are estimated to miss out on the [warm home discount](#) in the constituency.

A number of sources report that households affected by the spare room subsidy cannot move due to a lack of suitable accommodation. In the first three quarters of 2013/14, there were 1,426 general needs lettings in Gateshead (CORE data). This compares to 1,309 lettings in the same period of 2012/13 (an 8.9% increase).

Data released by the Department of Communities and Local Government in October shows that a total of £373,518 was allocated to Gateshead Council in Discretionary Housing Payment funding. Of that, £256,610 has been committed (68.7%). The majority of this (£207,798) was allocated to support 787 households affected by the removal of spare room subsidy in the social rented sector.

Housing Market

The Chancellor announced in his Budget Statement that the Help to Buy Equity Loan scheme will be extended until March 2020. Since its launch on 1st April 2013 to the end of February 2014, a total of 101 homes were bought in Gateshead with support of the scheme. This represents 24.8% of the 408 completed equity loans in Tyne & Wear.

Average house prices in Gateshead in February 2014 stood at £95,050 an increase of 0.4% on the same period in 2013. Sales volumes have fluctuated over the same period, ending on 214 in December 2013 compared with 223 in December 2012.

Vacant dwellings have been on a general downward trend since 2008. In October 2013 there were a total of 3,772 vacant dwellings in Gateshead compared with 5,715 in 2008. Of the 2013 figure, 36 were owned by housing associations and 221 by the local authority. Long-term vacants have fallen by 18.3% since 2008.

In 2012/13, Gateshead Council made a total of 490 homeless decisions. Of these, 204 applicants were accepted as being homeless and in priority need (41.6%). The number accepted as being homeless equates to 2.34 per 1,000 households in the borough – up from 1.86 in 2011/12 but down 2.92 in 2010/11.
