

Brigg and Goole Parliamentary Constituency

This is the first bulletin of 2014 produced by Northern Housing Consortium (NHC) providing analysis of housing-related data for the Parliamentary Constituencies in the North of England. The report provides analysis of the impacts of welfare reform and the housing market in the constituency.

We have used the following symbols to indicate your performance against the relevant regional or national statistics.

Welfare Reform

The third [Real Life Reform](#) report found an increase in the average debt of respondents taking part in the study (£3,503) with debt repayments increasing by 58% since October. 46% of participants report having nothing left each week to live on once rent and essentials such as food and bills have been paid.

Last year we reported that in Brigg and Goole, 2,228 children live in poverty – 12% of the child population in the constituency. According to figures by The Children's Society, 1,072 children in poverty are estimated to miss out on the [warm home discount](#) in the constituency.

A number of sources report that households affected by the spare room subsidy cannot move due to a lack of suitable accommodation. In the first three quarters of 2013/14, there were 252 general needs lettings in North Lincolnshire (CORE data). This compares to 425 lettings in the same period of 2012/13 (a 40.7% decrease).

Data released by the Department of Communities and Local Government in October shows that a total of £238,069 and £374,414 was allocated to North Lincolnshire and East Riding of Yorkshire Councils in Discretionary Housing Payment funding respectively. Of that, 7.2% in North Lincs. and 19% in East Riding have been committed. A breakdown of funding committed is shown in Figure 1.

Housing Market

The Chancellor announced in his Budget Statement that the Help to Buy Equity Loan scheme will be extended until March 2020. Since its launch on 1st April 2013 to the end of February 2014, a total of 69 homes were bought in North Lincolnshire with support of the scheme. This represents 17.7% of the 390 completed equity loans in Humberside.

Average house prices in North Lincolnshire in February 2014 stood at £98,286 a decrease of 1.2% on the same period in 2013, while prices in East Riding rose by 7.1% to £134,759. In both cases, sales volumes have been on a general upward trend.

Vacant dwellings have been on an upward trend in North Lincs. (7.9%) but a downward trend in East Riding (-12.2%) since 2008. Long-term vacants have fallen by 13% in North Lincs. and by 28.3% in East Riding since 2008.

In 2012/13, North Lincolnshire Council made a total of 72 homeless decisions. Of these, 61 applicants were accepted as being homeless and in priority need (84.7%). The number accepted as being homeless equates to 0.85 per 1,000 households in the borough – down from 1.29 in 2011/12 and from 1.56 in 2010/11.
