

## Don Valley Parliamentary Constituency

This is the first bulletin of 2014 produced by Northern Housing Consortium (NHC) providing analysis of housing-related data for the Parliamentary Constituencies in the North of England. The report provides analysis of the impacts of welfare reform and the housing market in the constituency.

We have used the following symbols to indicate your performance against the relevant regional or national statistics.

### Welfare Reform

The third [Real Life Reform](#) report found an increase in the average debt of respondents taking part in the study (£3,503) with debt repayments increasing by 58% since October. 46% of participants report having nothing left each week to live on once rent and essentials such as food and bills have been paid.

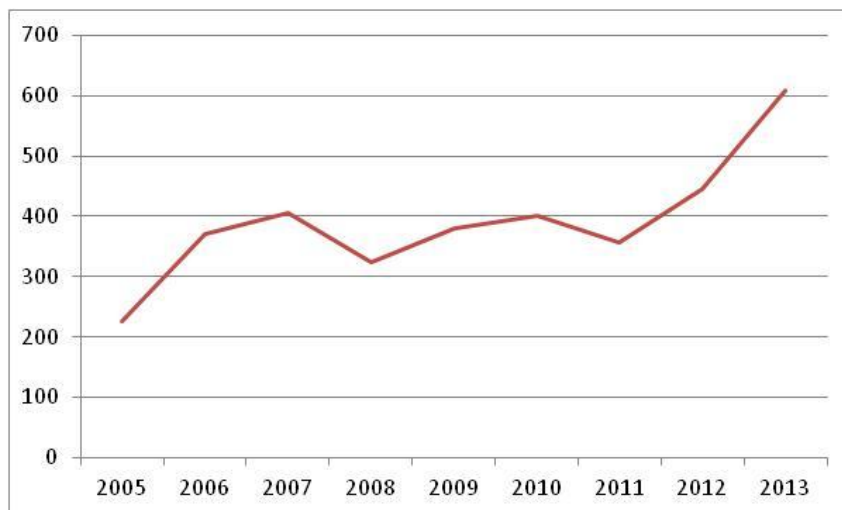

Last year we reported that in Don Valley, 4,149 children live in poverty – 20% of the child population in the constituency. According to figures by The Children's Society, 1,997 children in poverty are estimated to miss out on the [warm home discount](#) in the constituency.

A number of sources report that households affected by the spare room subsidy cannot move due to a lack of suitable accommodation. In the first three quarters of 2013/14, there were 1,079 general needs lettings in Doncaster (CORE data). This compares to 1,041 lettings in the same period of 2012/13 (a 3.7% increase). Lettings of one-bedroom properties fell by 2.7% (Q3 2013/14 compared to Q3 2012/13).

Data released the StepChange charity shows that in 2013, a total of 608 new debt management plans were put in place in the Doncaster postcode area. This is a 36.6% increase on the 2012 figure. Indeed, as figure 1 shows, there has been a general upward trend since 2005.

## Housing Market

The Chancellor announced in his Budget Statement that the Help to Buy Equity Loan scheme will be extended until March 2020. Since its launch on 1<sup>st</sup> April 2013 to the end of February 2014, a total of 87 homes were bought in Doncaster with support of the scheme. This represents 21.9% of the 398 completed equity loans in South Yorkshire.

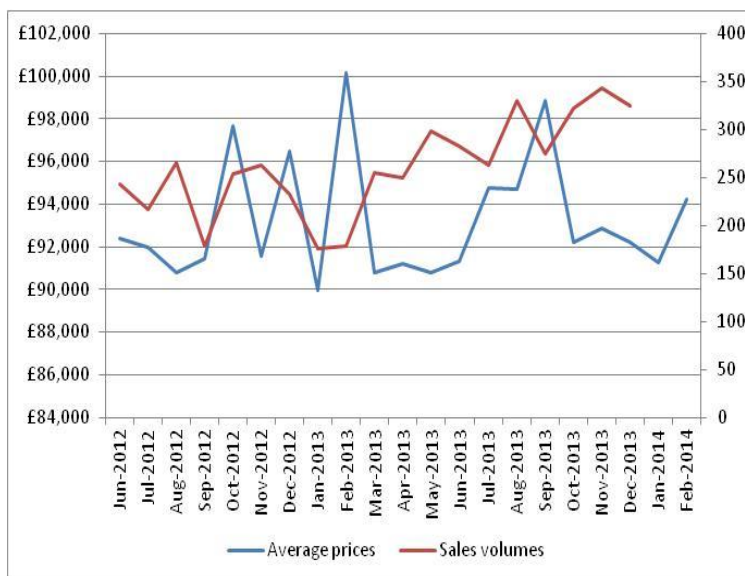

Average house prices in Doncaster in February 2014 stood at £94,210 a decrease of 6% on the same period in 2013. This is despite sales volumes being on a general upward trend, ending on 325 in December 2013 compared with 233 in December 2012.

Vacant dwellings have been on a general downward trend since 2008. In October 2013 there were a total of 4,505 vacant dwellings in Doncaster compared with 5,738 in 2008. Of the 2013 figure, 25 were owned by housing associations. Long-term vacants have fallen by 25.9% since 2008.

In 2012/13, Doncaster Council made a total of 179 homeless decisions. Of these, 58 applicants were accepted as being homeless and in priority need (32.4%). The number accepted as being homeless equates to 0.46 per 1,000 households in the district – down from 0.50 in 2011/12 but up from 0.43 in 2010/11.
