**Conditions of membership**

Please note that access to network membership is for:

- ✓ Individual organisations (or groups),
- ✓ Staff employed by those organisations (or groups).
- ✓ Tenants, Board Members and Councillors

Members must not share any member benefits with other organisations who are not partnership members. This would devalue the benefits of membership for paying members. Sharing the password and the forwarding briefing papers or other documents to non-member organisations is prohibited.

One member from your organisation will be able to drag and drop information onto your page, to enable sharing of data and best practice. Other members in your organisation will have read only access. Offensive material will be removed.

We reserve the right to terminate membership of the partnership in cases of a breach of these conditions of membership.
