

Tenants Contents Insurance Framework

Framework available until March 2026

This National Framework was procured compliantly under the Public Contract Regulations 2015 to market for public sector bodies, looking for a comprehensive solution to Tenants Contents Insurance.

Key Framework Information

- Tenants can choose to pay weekly or fortnightly with a payment card or payment app (online), monthly by payment card, online or direct debit, and annually by cheque.
- There is no excess and no security requirements.
- Marsh can offer access to marketing literature and can fund all your marketing activities to help promote the availability of insurance to tenants who may not be able to access home insurance elsewhere.

Appointed Suppliers

- Marsh

Further Information

If you would like further information on this Framework Agreement including a copy of the specification, please contact us.
